31 Warrant for compulsory acquisition of goods

The warrant for compulsory acquisition of goods under section 104(3) of the Act shall be in form 8.

Regulation 31: amended, on 1 October 2018, by section 443(4) of the Customs and Excise Act 2018 (2018 No 4).

31A Importer to amend assessment that includes provisional Customs value

- (1) For the purposes of section 112(2)(a) of the Act, the importer must amend the assessment for the goods before the expiration of 12 months after the end of the financial year during which the entry for the goods was made.
- (2) In this regulation, **financial year**, in relation to an importer, means a period of 12 months beginning on—
 - (a) 1 April; or
 - (b) if the importer has notified Customs of a different date for the start of the importer's financial year, that other date.
- (3) However, if, as a result of a change to the start date of an importer's financial year, a new financial year starts before what would have been the end of the previous financial year, then—
 - (a) the shortened period is taken to be a financial year (even though it is shorter than 12 months); and
 - (b) for entries made during that period, the importer must amend the assessment before the expiration of 24 months after the beginning of that period.

Example for subclause (3)

An importer has a standard financial year, so its financial years would have been 1 April 2019 to 31 March 2020, then 1 April 2020 to 31 March 2021.

However, in February 2020 the importer notifies Customs that it is changing its financial year to begin on 1 July, starting on 1 July 2020. As a result, what would have been the financial year 1 April 2020 to 31 March 2021 is shortened to be 1 April 2020 to 30 June 2020.

The time periods for the importer to amend its provisional Customs values are as follows:

- for entries made 1 April 2019 to 31 March 2020, subclause (1) applies and the amended assessment is due by 31 March 2021:
- for entries made 1 April 2020 to 30 June 2020, subclause (3) applies and the amended assessment is due by 31 March 2022:
- entries made 1 July 2020 to 30 June 2021, subclause (1) applies and the amended assessment is due by 30 June 2022.

Regulation 31A: inserted, on 1 October 2018, by regulation 10 of the Customs and Excise Amendment Regulations 2018 (LI 2018/149).
